

Dear Sir,

I read your article in the newspaper about that "Guy on the next bar stool may have been CIA agent." I thought it was a very interesting article, but I was wondering why you always question bartenders and customers? I was also wondering why you bug bars and photograph and tape cocktail parties? I'm really interested in this concealed matter. I would really like your cooperation. Could you please send me more ~~for~~ information about this. Thank you very much for your cooperation.

Sincerely,
Yours,

Miss Carrie Maiguat
